IGNITING OUR VALUES

A Jesuit/Ignatian Pilgrimage
for Lent 2015

JOIN US

Last year, 20,000 people participated in the Jesuits' online Lenten program of daily reflections, prayers and readings.

"Igniting our Values," our 2015 program, will bring us together again, as pilgrims, to follow Jesus through the Lenten desert to the healing waters of the Resurrection.

While we journey, we will prayerfully consider the Gospel readings in light of our Ignatian identity. We will explore what it means to be companions of St. Ignatius—whether as Jesuits or Jesuit colleagues, partners in mission, students, alumni, family or friends. What, precisely, are the values and characteristics we think of as being uniquely "Ignatian" or "Jesuit?" How, in our many ministries and vocations, do we express, recognize and support those values?

Ignatian men and women from across the Jesuit spectrum will provide daily reflections (available in Spanish as well as English).

Carefully selected music, video, art and poetry will enrich our prayer. To sign up for daily emails or PDFs, visit:

**Join us for Lent 2015,
as we ask ourselves Jesus' own question,
"Who do you say I am?"**
